### Pueblecito de Belén

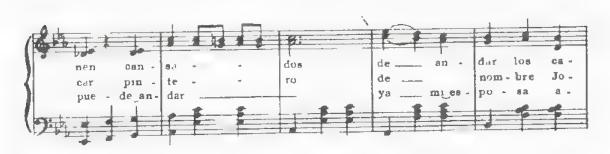

#### Canto exterior

#### TRADITIONAL IN MEXICO

The "Posadas" are sung in Mexico during the nine evenings preceding Christmas, in commemoration of the journey of Mary and Joseph from Nazareth to Bethlehem. Mary and Joseph, the pilgrims, ask for lodging. They are refused many times but finally allowed to enter.

The verses alternate. The first one is sung by Joseph or those without. The answer is given by the innkeeper or those within

#### Canto interior

### La Piñata

The breaking of the Piñata is a part of every Christmas celebration in Mexico From "Mexican Folkways" by permission of the editor, Frances Toor
